Special News Bulletin

It's with great sadness that we announce the passing of CMSGT (ret) Dick Fuller. Chief Fuller passed away this morning. As many of you know, he was extremely active in the 315th AW Alumni Association and the SC ESGR, as long as being a long time member of the 315th AW. Chief Fuller was Chief Flight Engineer of the 707 AS. Our thoughts and prayers are with his family. We will post funeral arrangements as soon as they become available.

I am attaching the June issue of the newsletter as a separate document explaining his health issues that led up to his passing.

Regrets,
