[This is a continuation of Newsletter Issue #1](#)

The 315th Alumni will have a booth set up with displays where you may check in. This will be different from what we've seen in the past. This is an all outdoor celebration. There will be a DJ and entertainment, and there will be fireworks. In the past there has been a big bon fire going with a nice lake in the background. Seating will not be provided for everyone in attendance, so you may consider bringing a small fold up chair. The current weather forecast is calling for 80-55 temp with no rain chance. Some coming in from out of town may stay overnight. Lenny and Beth LaBranche plan to stay over. Members of my family have had good luck recently with base billeting. You may drop in and leave anytime you wish if you can't be with us for the duration. SMSgt (ret) Jerri D. Martin, former 300th Operations Superintendent, has planned and cooked for this celebration over the years. This Oktoberfest celebration has been ongoing for over 25 years and with a large variety of fine food and a big variety of beverage. Considerable time, funding and energy have gone into this party like no other previously. Everyone has been contacted and we're expecting a great turn out.

Let the Good Times roll!!!
