To be held in building 60 auditorium.

Since the last issue of the newsletter we have celebrated Veterans Day. We had heavy cold drizzle that day so there were not that many citizens out there thanking us for our service like last year.

Thanksgiving was the big one this year. Some held down the home front with the TV going while watching the Macy's Christmas parade while others preferred dining out and let someone else do the cooking. One of those well known to us is the Crackle Barrell. Soon as you enter there are big logs burning in the open fireplace. They do all the cooking and cleaning up the dishes.

From here on the newsletters will be a short version and more frequent.

Take care everyone and we'll be talking.
